

## **What is ASSRT District II**

The ASSRT District II represents YOU. It is your communication network.

### **What services are provided for you?**

- Discounted Educational opportunities-  
The district society provides an educational lecture on a monthly basis on the third Thursday of the month.
- An opportunity to make your professional interest heard and addressed
- A legislative Eye- As a local society which is part of the State society we provide representation to the Arizona Radiation Regulatory agency and watch legislation which may affect us.
- A way to communicate with fellow technologists.
- National, State and Local professional information
- Support for recruitment opportunities in your area.
- Assistance in educational programs.
- Voting privileges- you can vote for officers that can help direct your profession.

**We work to improve the welfare of all radiographers in various modalities and to also protect the standards of our profession.**

Your dues help this society provide you with quality, cost effective educational Opportunities. At these meetings we disburse information that is of national, state and local interest. Through our link with the ASSRT(State Society) and their affiliation with the ASRT(National Society) we are able to keep in touch with current trends in the profession and address the needs of our members.

### **How can I participate in the local society?**

- Attend the local educational seminars
- Sponsor a student member
- Work on a committee
- Vote on issues of professional interest
- Other venues are available depending on your own interest and time. If you are interested in sharing your talents let us know. We want your support.

**The easiest way to support your local society is to fill out an application and become a member so you can keep current on what's happening locally within your profession.**
